

70A.33 Participation plan.

A state employee meeting the requirements of section 70A.31 may file a request to participate in the program with the head of the employee's state department, agency, or commission. The employee shall specify the number of hours per week the employee intends to work for each of the five years of participation, subject to the requirements of section 70A.31. Participation in the program is dependent upon the approval of the head of the department, agency, or commission. The cost to the state department, agency, or commission shall be paid from the funds appropriated to the department, agency, or commission for salaries, support, maintenance, and miscellaneous purposes.

An employee who participates in the program is not eligible to return to state employment as a permanent full-time employee. Once an employee reduces the employee's hours of participation, that employee shall not subsequently increase the hours of participation.
